## ADJOURNMENT MOTIONS

### 1. Regarding lack of responsibility seen in the Government order on a cut motion which was not voted upon

**Mr. President :** I have received notice of an adjournment motion from Mr. T. K. Nayar which reads as follows.—

"*The lack of responsibility seen in the order passed by the Government on a cut motion, which was not voted upon by the Council namely cut motion No. 34 on General Administration moved by Mr. Moothedan to reduce the allotment of Rs. 73,488 for Huzur Secretariat Establishment by Re. 1. (To point out that the Government of Cochin may be carried on by a Council of Ministers responsible to the Legislature with adequate provisions to safeguard the treaty obligations with the Crown and the interests of the minority communities).*"

**Mr. K. Achyuta Menon** *(Secretary to Government):* Sir, I may be permitted to explain the matter. The mistake was made by us. Only one motion was actually put to vote and carried but two motions were discussed together. The actual money portion that was cut was only Rs. 2. But in the Government Proceedings both the motions have been read. I am very sorry that such a mistake has crept in.

**Mr. T. K. Nayar** *(Pazhayannur):* Sir, I know it is a mistake. But I would like to get some information from the Government. Did this mistake come to the notice of the Government only this morning ?

**Mr. K. Achyuta Menon** *(Secretary to Government):* A few days ago I knew that a mistake has come.

**Mr. T. K. Nayar** *(Pazhayannur):* Was there not a report in the *Mathrubhumi* about this ? Was it not translated and brought to the notice of the Diwan ?

**Mr. K. Achyuta Menon** *(Secretary to Government):* It was brought to my notice.

**Mr. T. K. Nayar** *(Pazhayannur):* Sir, I do not know why the Government, after knowing that a mistake has crept in, kept silent till the session of the Legislative Coucil.

**Mr. K. Achyuta Menon** *(Secretary to Government):* Really there is nothing affecting the point at issue.

**Mr. T. K. Nayar** *(Pazhayannur):* But from our standpoint there is everything in it. The Hon'ble Member is inviting us for a discussion. The issues are different. My motion was only for *further constitutional reforms* whereas that of Mr. Moothedan was *for full responsible government.*

**Mr. K. Achyuta Menon** *(Sacretary to Government):* Both the cut motions were negatived as they were not acceptable to Government.

*Motion withdrawn*

## 2. Giving of substantial remissions and sufficient time for payment of pattom

**Mr. President :** I have received notice of another adjournment motion from Mr. A. V. Moothedan to the following effect.—

*"The question of giving substantial remissions and sufficient time for payment of one year's pattom becoming due and payable after the recent cyclone."*

I will give a ruling on the admissibility of the motion tomorrow.
